District of Texas, Marshall Division. The Mondis v. LG case involves at least one patent that issued from an application from which the present application claims priority.

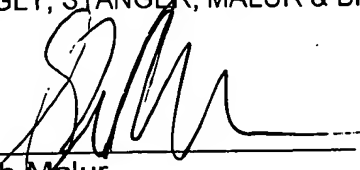

In accordance with MPEP §2001.06(b), applicants bring to the attention of the Examiner co-pending U.S. Applications Nos. 10/160,022 and 10/160,056. Application Nos. 10/160,022 and 10/160,056 have recently been allowed. Application Nos. 10/160,022 and 10/160,056 are assigned to the assignee of the present application, Mondis Technology Ltd. and share common inventors. Applicants further bring to the attention of the Examiner co-pending U.S. application No. 11/176,880, which is a reissue application of U.S. Patent No. 6,590,547. Reissue application No. 11/176,880 is assigned to PDACo. Ltd., an entity that has common shareholders with the assignee of the present application. Although the prosecution for each of these applications is publicly available, applicants enclose for the Examiner's consideration the Office Actions and Replies/Amendments for each of these applications.

It is respectfully submitted that this information disclosure statement be considered by the Examiner.

Please charge any shortage in the fees due in connection with the filing of this paper to Deposit Account No. 50-1417, and please credit any excess fees to such account.

Respectfully submitted,
